

THE LEAGUE OF WOMEN VOTERS OF WESTON EDUCATION FUND

December 5, 2018

Dear Friends and Neighbors,

Each year at this time the League of Women Voters of Weston asks you to consider supporting the League's Education Fund. Your contributions make possible our highly respected, nonpartisan programs that help Weston residents stay well informed and engaged.

Your donation goes to the costs involved with some of our most anticipated programs, such as "Speak-Up", Candidate Debates, and the Betty Hill Forum. We often videotape our League events and make them available on our website and on Weston's government cable channel 79.

This year we also held two timely special events: our Women and Politics 2018 program with Patti Russo, from the Women's Campaign School at Yale, and an in-depth program on Connecticut's fiscal challenges with Keith Phaneuf, investigative state budget reporter for the CT Mirror. Afterward, several people commented that his talk was the most useful presentation they'd heard on the subject, despite its sobering message.

Your donation also helps with the cost of publishing our voter and community service information, including the online *Guide to the Annual Town Budget Process* and our *LWV Know Your Town Directory*, which we update online between printings.

As we approach the League of Women Voters' 100th anniversary, with your help we will carry on the local League's mission by bringing Westonites the events, community conversations, and publications our Town needs and has come to rely upon.

Please consider supporting our ongoing work by making a donation payable to the "League of Women Voters Education Fund" or "LWVEF" and returning it in the enclosed envelope or to the LWV of Weston, P.O. Box 1081, Weston, CT 06883. Your contribution will be greatly appreciated and is tax deductible to the extent permitted by law.

Thank you.
